Kindergarten had an amazing time at Backer Ruetz!

They got to cut, roll, knead and bake some delicious treats! And eat them of course.

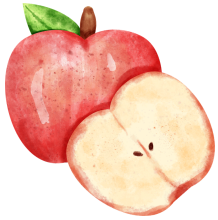
Apples!



Primary haven been learning about all things Apples with Annica. They have looked at the growing process of an apple, the parts of an apple and baking some delicious apple muffins.

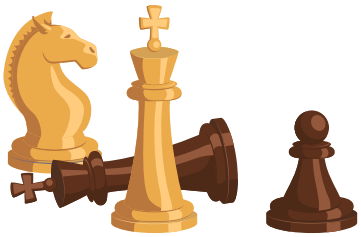
🇪🇸SPANISH WITH SARA🇪🇸

This month in Spanish, we practised vocabulary to get ready for our bakery visit, learning how to name different bakery items and ingredients in Spanish! 🥖🥐🍞 As it's Halloween season, we also explored Halloween vocabulary 🎃👻 through fun worksheets, colouring, games and interactive activities.

Alongside our vocabulary practice, we enjoyed mindful breaks, including Spanish yoga 🧘, where the children listened carefully to instructions in Spanish while stretching, moving their bodies and relaxing their minds.

Learning Spanish through movement, play and everyday experiences makes language learning fun, meaningful and memorable! ❤️🇪🇸

CHESS WITH MIRAN



Check mate!

Miran has continued to show our thriving and enthusiastic chess club the tricks of the trade - whilst also introducing other boardgames in October.

Beatboxing at Foxhill!

Our children (and some of our teachers) have fallen in love with Beatboxing!

Next stop - a performance for the parents perhaps?
