Winter Sports Week 2025

We had an amazing Winter Sports Week here at Foxhill! The students had the opportunity to go ice skating, go horse riding and to walk with alpacas!

Everyone enjoyed the week so much and the sun even shined for us - it was perfect!

Ice skating in Zirl

On Monday and Friday during Winter Sports Week, all of the children from Pre-school, Primary and Secondary had an amazing time showing off their skills on the ice in Zirl.

Our talented children even taught a few of our staff how to ice skate gracefully.

Horse riding in Oberperfuß

Our Pre-school and Primary students had an absolutely sensational time horse riding in Oberperfuß. The sun was shining too! It was the perfect day!

Our children demonstrated maturity and resilience when helping each other ride the beautiful horses.

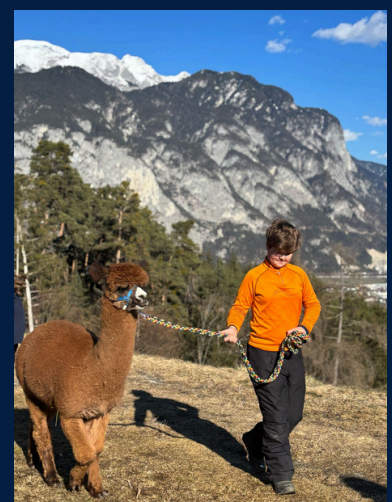

Walking with Alpacas

We travelled back to Oberperfuß on the Thursday but this time we went to meet some hairy and extremely friendly alpacas. The children had the chance to walk with the alpacas as well as feeding them and petting them. It was an incredible experience!

Just look at how beautiful the setting was. Absolutely perfect!

Spanish lessons with Sara from the second semester of 2025 (every Thursday afternoon) Information about this and the registration form will follow.
