WELCOME BACK FOXHILL!

A new school year has begun, and Foxhill is full of new beginnings, happy faces and exciting learning adventures! 🦊💙

From Kindergarten to Primary, our children are settling into their new routines, reconnecting with friends and teachers, and discovering, exploring and learning together. 🌱📚✨

Here's a little glimpse of our first weeks back at Foxhill — filled with curiosity, creativity, friendship and plenty of smiles!

Welcome back, Foxhill family! We're so happy to have you with us again. 🧡🦊

🦊 ALL ABOUT ME

September has been all about me, my emotions and my family! ❤️

Our little Foxes have been exploring feelings, getting to know each other and settling into Kindergarten with our new friends. 🌈🦊

Newsletter September 2026

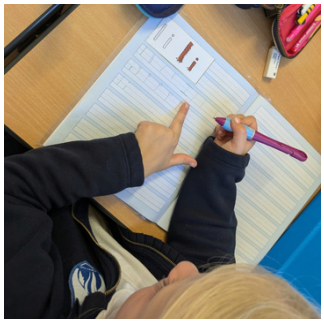

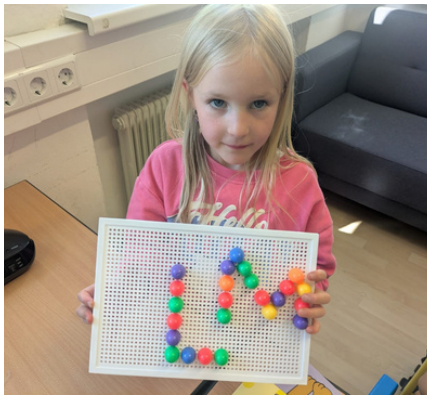

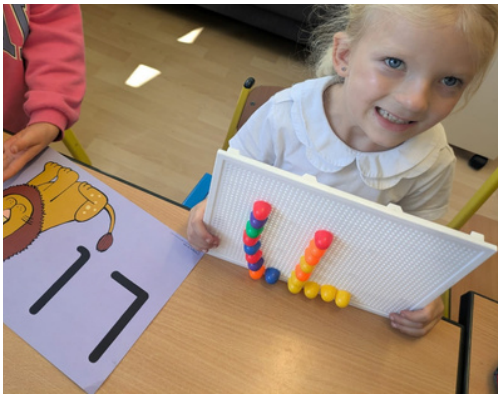

📚 PRIMARY SCHOOL

September has been all about settling in, learning and growing together! ✨ Our students have been practising writing and phonics, creating our Kindness Wall, and exploring what makes an Ideal Student — with plenty of teamwork and hands-on learning along the way. 💛🦊📚

🥦 AVOMED zu Besuch in der Primary School!

Unsere Schüler*innen haben entdeckt, wie die Nahrung durch unseren Körper gelangt und dabei das Verdauungssystem kennengelernt – vom Mund über die Speiseröhre und den Magen bis zum Darm. 🥕🍎
Außerdem haben wir die 5 Geschmacksrichtungen kennengelernt und über gesunde Ernährung gesprochen. Ein spannender und lehrreicher Vormittag!

💚

🇪🇸SPANISH WITH SARA🇪🇸

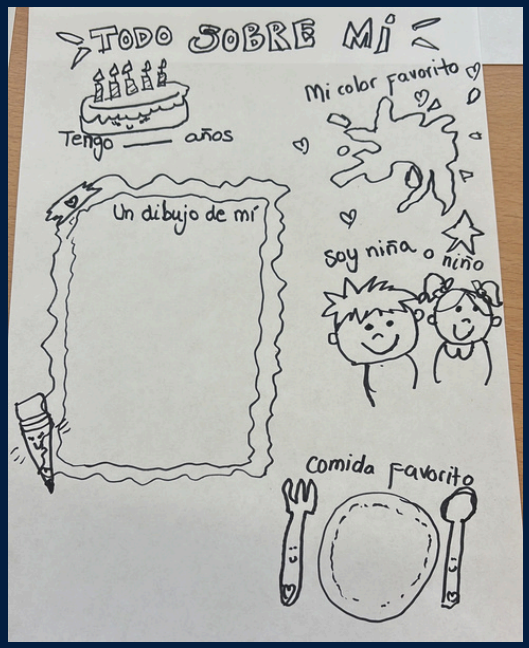

Did you know that Foxhill offers on Mondays an after-school Spanish workshop with a native speaker? Our students have been diving into new vocabulary, songs, all about me worksheets and games—such a fun way to expand their language skills. ¡Vamos! 🌟

♟️ CHESS WITH MIRAN

Chess Wednesdays are back! ♟️✨
Our ASC students are enjoying afternoons of strategy, problem-solving and friendly games with Miran — learning new moves while having lots of fun! 🧠♟️🦊

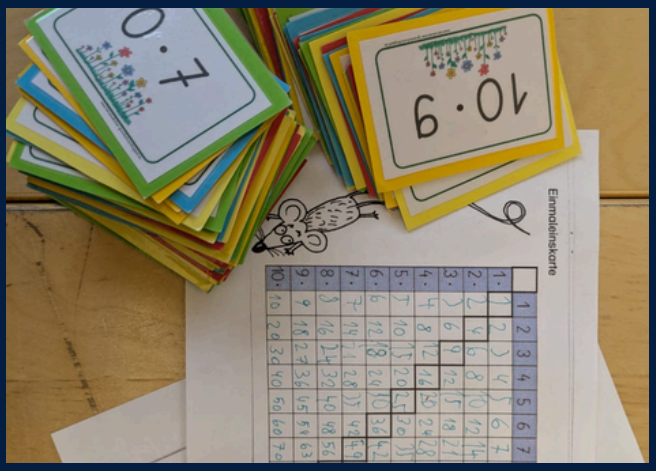

September has been a busy and exciting month of learning! Our students enjoyed a fun beatboxing session with professional teacher Samuel, exploring rhythm, beat and musical expression through an engaging and interactive experience.

On Tuesdays, our Homework ASC with Annica has also been a great opportunity for children to work independently, practise their learning and complete homework with support. The children have been developing their concentration, number skills and problem-solving abilities through a variety of activities and maths challenges.

A wonderful start to the new school year filled with music, learning, creativity and growing independence! ✨

Welcome to Foxhill Magdalena ,our new student Teacher !

I am an education student from the Czech Republic, currently in Innsbruck and Foxhill for a two-and-a-half-month work placement.

Back home, I work as a ski instructor, lead children's summer camps, and tutor primary school students.

In my free time, I love hiking in the mountains, cycling, running and reading. I also used to sing in a children's choir and play volleyball. Since I am studying special education, I also have experience working with children with special educational needs. I am very excited to be here and looking forward to this amazing experience!

Foxhill Newsletter - September 2026

A great team works every day to ensure that your children are accompanied in the best way possible

Welcome to our new Kindergarten and ASC team member Julia!

Hi everyone! My name is Julia Ferrán, I'm 23 (almost 24!) and I come from Madrid, Spain. I'm a qualified Early Childhood Teacher and Pedagogue, and I also have a Master's degree in Educational Psychology.

I'm so excited to be part of the Foxhill family! I came here with the hope of having an amazing experience, learning and growing alongside these wonderful children, whom I've been getting to know little by little. I hope they can learn a little something from me too!

I'm really looking forward to sharing lots of special moments, bringing my knowledge, creativity and enthusiasm into the classroom, and making the most of everything this new adventure has to offer. I can't wait to see what's ahead of us! ❤️ 🦊
